

NORTH BERWICK
TRUST

COMMUNITY ORCHARD PLANTING DAY

Come and plant an orchard with us!

Saturday 25th March 2023

North Berwick Trust are excited to be planting our very first community orchard at the Trust's park.

Would you, your family or your community group like to plant your own fruit tree?

There are two sessions planned at **10am and 1pm** - Come along to either session. No need to book.

We will be planting apple, pear, plum and crab apple trees. Each tree will be recorded on a map so you will know which is yours when you return to enjoy and care for your tree!

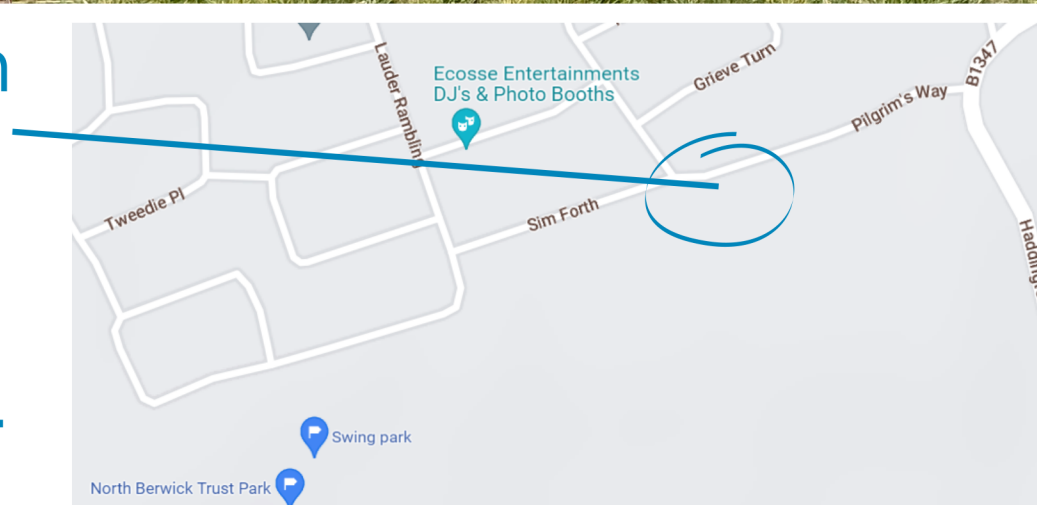

The trees have been part-funded by The Queens Green Canopy, North Berwick Rotary and North Berwick Trust.

All park maintenance is funded by North Berwick Trust. Each tree costs on average £30.

Please visit <https://northberwicktrust.co.uk/make-a-donation/> if you would like to make a contribution.

Meet at the main
entrance to the
park, off
Pilgrim's Way.

If you have them,
please bring a
spade/fork/trowel
and gardening gloves.
